SUPERVISORS HOLD REGULAR MEETING

GOOD ROADS BOND ISSUE WILL HAVE BACKING PROGRESSIVE MEN OF COMMUNITY.

Committee of Citizens From Every Section of County Will Work With Supervisors For Bond Issue.

The Board of Supervisors will have the backing of the San Mateo County Development Association in the movement to give the county a complete and up-to-date system of roads. Last Monday a committee from the Development Association, composed of L. P. Behrens, S. M. Merk and H. C. Tuchsen, held a conference with the board at which it was suggested that a committee from the Development association, representing all parts of the county, act as an advisory body in carrying out the good roads scheme. The offer met with the unanimous approval of the board and the offer was heartily accepted. Tuesday night at a meeting of the Board of Governors at San Mateo a committee of twenty-eight citizens was appointed whose work will be to assist and advise in the undertaking. The plans submitted by Surveyor Neuman may be amended and revised with a view to giving the public the very best results. With such backing the bond issue necessary to build the roads should have the unanimous support of the taxpayers.

Before submitting the bonding proposition to the voters, the supervisors have decided on a publicity campaign to enlighten the voters on the proposed improvements. Meetings of the different civic bodies will be held, at which the plans of the supervisors will be laid before the people.

PROCEEDINGS OF SUPERVISORS.

The Board of Supervisors met in regular session Monday, July 15th, there being present P. H. McEvoy, presiding, Wm. H. Brown, Jas. T. Casey and Joseph M. Francis.

M. B. Johnson, on behalf of the Montara Realty Company, presented a map of Montara Heights at Moss Beach and an accompanying resolution closing certain streets in the tract. The resolution was adopted on motion of Francis, seconded by Brown.

Surveyor James V. Neuman was granted leave of absence from the State for a period of two weeks.

The Lomita Park Improvement Club sent a communication asking permission to remove certain trees from the streets of that place. The communication was accepted and filed.

A communication was received from the Board of Trustees of the City of Hillsborough signifying the willingness of that body to surrender to the county that portion of El Camino Real within its limits with the understanding that the county complete the State highway through the town. The Hillsborough authorities also offered to surrender the city's ownership to the Halfmoon Bay road with the understanding that it also be improved.

The communication was accepted and filed.

Notice was received from the State Board of Control at Sacramento to the effect that the children of Mrs. Matilda Borelli of the First township and Mrs. Adeline Allen of Redwood City were not eligible to aid from the State as in both cases both parents were living.

The communication was referred to the superintendent of the county farm.

Coroner and Public Administrator Plymire rendered a report of the disposition made of the effects of certain deceased persons, which report was accepted and filed.

J. Harris who resides on Santa Cruz avenue at its junction with the Alameda de las Pulgas, in the Third township, sent a communication, complaining that the change of the road grade in front of his property was objectionable to him.

McEvoy explained that he was making some extensive improvements in the road near Harris' property by cutting down a hill and filling up a depression but that the grade immediately in front of the property was not being changed. The communication was accepted and no action taken on it.

The tax colector presented seventeen certificates showing erroneous assessments. The certificates were accepted and referred to the auditor for correction.

J. H. Parker, constable of the First township, complained that he was unable to get telephone service, although the company had been notified to install a phone at his residence. On motion of Casey, seconded by Francis, the telephone company was cited to appear at the next meeting and explain why Parker was not supplied with a phone.

Jessie Blogg and Teopfilia Richley of Vista Grande applied for the usual aid, representing that on account of infirmaties they were unable to earn a livelihood. On motion of Casey, seconded by Brown, each applicant was granted $8 per month.

District Attorney Swart, in a communication, advised the board that the Flood property at Menlo Park, comprising 326.97 acres, which had been sold to the state for the taxes of 1900-01 was at the time of its sale public property, owned by the State, and not subject to taxation. He advised that the board make an order canceling the assessment on the property. Further consideration of the matter was laid over until afternoon.

Charles Simmons of Burlingame sent a communication to the board advising that a public work department be created, fully equipped for doing all kinds of road and street work. The communication was filed.

The application of Harry E. Styles on behalf of F. C. Bowan and others to establish a hog ranch on Brewer's island, east of San Mateo, was taken up.

Supervisor Brown stated that he had been unable to confer with the district attorney on the matter on account of the absence of that official.

Mr. Swart said that the petition was indefinite and the board was not assured that a nuisance would not be created.

Brown was also desirous of consulting the interests of his people before taking action on the petition.

After some further discussion of the matter Mr. Styles was permitted to withdraw his petition without prejudice and make a new application.

The clerk notified the members that it would be necessary for each to prepare a list of the primary election officers to be incorporated in the election proclamation to be adopted at the next meeting.

No bids were received for sinking a test well at the county farm.

On motion of Casey, seconded by the chairman, the superintendent was authorized to have the work done as soon as possible without calling for bids.

The clerk was authorized to give the primary election proclamation as wide publicity as possible by publishing in all county papers such portion of it as referred to the different townships.

The military roll containing the names of 4236 county citizens who are subject to military duty was presented by the assessor and adopted on motion of Francis, seconded by Casey.

Afternoon Session.

Clerk Nash was granted two assistant clerks for a short time to assist in work of segregating referendum petitions that have been filed in his office for changes in the State constitution.

Chairman McEvoy stated that the superintendent of the Bear Gulch Water Company had cut the pipes leading to his tanks and he was without water for road sprinkling.

On motion of Casey, seconded by McEvoy, the district attorney was directed to take such action in the matter as in his judgment was proper.

Attorney Styles presented an amended petition on behalf of F. C. Bowen and others for permission to establish a hog ranch on Brewer's island on the bay shore.

The petition was referred to Supervsior Brown and District Attorney Swart, to be reported on at the next meeting.

Supervisor McEvoy was authorized to purchase twenty feet of 15-inch and forty-six feet of 18-inch culvert pipe, on motion of Blackburn, seconded by Brown.

The matter of closing certain streets and portion of streets at San Carlos was taken up. R. F. Chilcott was sworn and testified that all of the signers to the petition asking that the streets be closed were freeholders of the Second township. He presented a resolution which was adopted on motion of Brown, seconded by Casey, declaring the streets closed and abandoned.

Mr. Chilcott made a statement to the effect that at the next meeting of the board a map would be presented resubdividing San Carlos Park and reopening the streets.

On motion of Blackburn, seconded by Brown, the daily pay for four-horse teams was raised from $7 to $8.

On motion of Casey, seconded by Brown, the pay for two-horse teams was raised for $5 to $5.50 per day.

All of the members agreed that it was impossible to secure teams at the old schedule.

It was, on motion of Brown, seconded by Casey, directed that the clerk examine the claims for the year ending July 1st and ascertain what had been the cost of automobile hire during that period. It was Mr. Brown's opinion that it would be cheaper for the county to own its own machine.

Superintendent Ford of the county farm and hospital rendered the following report:

COUNTY FARM AND HOSPITAL.

Quarterly Report of County Farm and Hospital.—To the Honorable Board of Supervisors of the County of San Mateo—Gentlemen: The following is the report of the County Farm and Hospital for the quarter ending June 30, 1912:

Died—Males, 4; females, 1. Total 5.
On roll June 30, 1912—Males, 34; females, 3. Total 37.

I have approved bills for maintenance of farm amounting to $3,868 33, as per bills on file. I have drawn on county for cash for outside indigents amounting to $1,487.

I have received cash to the amount of $210 50, viz: Sale of cows, $90; pigs, $30; calves, $19; bull, $50; eggs, $1 50.

Respectfully submitted,
J. F. FORD, Superintendent.

The chairmen directed that all unfinished business go over until the next meeting. Adjourned.

The board reconvened as a Board of Equalization, there being present McEvoy, Casey and Brown.

There being no applications for increase or reduction of assessments the board adjourned sine die on motion of Casey, seconded by Brown.

Popular Couple Wed at San Rafael.

Ida M. Crowe of this city and John J. Malone of Angels were married at San Rafael on the 10th instant. The announcement of the wedding which was made during the week has been received by the friends of the popular couple with pleasure and unbounded good wishes. The groom who is well known here was formerly employed at Belmont and other stations in this vicinity, and no station agent was better liked than he. He is now in the employ of the Sierra railroad at Angels. Mrs. Malone will move to that city shortly.

Another Special Feature.

Manager Nathhorst will have another extra special at the Bell Theatre on Tuesday evening. For that evening only he has secured the reproduction of the great Frontier Day Celebration held at Cheyenne. Three reels represent the great cowboy and Indian sports, and present about the only means of getting a clear idea of the real life of the "wild and wooly west" as it was in the frontier days. For this show the prices will be 10 and 15 cents.

A Treat for Music Lovers.

Mr. Ernst and Mrs Gisela Von Gizycki will appear at the Alhambra next Friday evening, July 26th. All lovers of music may look forward to a great musical treat on that evening. The great artists came to the United States, with an international reputation, to join the musical life in his gretat county, and have been greeted with enthusiasm.

It is just this unique but beautiful combination of cello and harp, which makes these artists so extremely popular and desirable.

In order to give the music loving public an opportunity to hear this popular couple, a "popular classic concert" has been arranged at popular prices, which will appeal both to lovers of t he classics as well as to those who enjoy music of the lighter style. BOARD OF TRADE BOOSTS AUTO LINE

Local Men Favor Extensison of Interurban Passenger Accommodations.

That the business men of Redwood City are fully alive to the value of interurban transportation as a factor in local development was demonstrated at the meeting of the Board of Trade on Tuesday evening, when the proposal of S. J. Levy for the establishment of an automobile passenger service from this city to Palo Alto and San Mateo was given hearty endorsement. The presence of Mr. Levy at the meeting and his clear explanation of the plans did much to clear up mooted questions and to inspire a spirit of confidence. In fact, at the close of the meeting there seemed to be nothing remaining to be done but the final arrangement of details.

"I am full of optimism regarding this undertaking," said Mr. Levy in his talk to the assembled business men. "The automobile passenger service is not an experiment. In California there are several lines in operation and all are doing a paying business. A service has been established between Sacramento and Folsom; there are a number of lines running out of Los Angeles, and in the east every large city has its automobile passenger cars running into the suburbs.

In Europe the plan is in even more general vogue and always it has paid.

Mr. Levy paid a tribute to the scenic features of the Peninsula and assured the meeting that such a service as he offered would draw largely from the tourist population of the city and Redwood City as well as other cities would become better known to the world.

The towns would also come in closer relationship socially and commercially. He felt sure that the venture would pay from the start. While he asked that a portion of the cost of maintaining the line be guaranteed him by the residents of the several towns in the district through which he would operate he would return to those contributors the full value of their contributions in transportation which could be used at any time or could be exchanged for express service. Assuming that the daily cost of maintaining the line was $30, Mr. Levy would expect the people to make up the difference between his income and the daily cost of operating. By using cash registers the daily earnings could be accurately ascertained. At five trips and twelve passengers to each trip the line would pay from 8 to 10 per cent on the investment.

The Palo Alto merchants were quite enthusiastic over the proposition and would contribute to its maintenance. Mr. Levy had also interviewed the officials of the San Carlos Park Syndicate and was assured of generous assistance from that source.

In discussing the equipment, Mr. Levy explained that it was the design of the promoters to provide large passenger cars of the latest model, designed especially for this class of service, and to adopt a schedule aimed at the convenience of the patrons. While passenger stations would be established in the various towns, stops would be made wherever desired to receive or discharge passengers. With the large population in the district to be served he was confident the service would be self supporting as soon as throughly established.

In order that the arrangements for the establishment of the service may be concluded at an early date President Ryan was requested to confer with the presidents of the Palo Alto and San Mateo Boards of Trade and leaders of the movement in other towns for the purpose of arranging details of the guarantee asked by Mr. Levy. As soon as these are arranged another meeting will be called.

ORDINANCE NO. 118

An Ordinance Fixing and Establishing Water Rates in the Town of Redwood City, and Providing for the Collection Thereof.

The Board of Trustees of the Town of Redwood City do ordain as follows:

Section I. All connections now made with the water mains or any supply pipe of the water system of the Town of Redwood City, by means of which water is supplied to the premises of private owners of lots and lands, shall be deemed to have been made for and at the request of the owner, and any owner of property now or hereafter supplied with water from the water system of the Town of Redwood City, shall be deemed to be the consumer, and shall be charged for the same and liable therefor, whether the water is in fact used by the owner or by his tenants, and in case any water is paid for by the tenant, the amount paid shall be credited to the account of the owner, and such payment shall not be, or construed to be, a waiver of the liability of the owner for water supplied to premises occupied by a tenant.

Section II. All applications for Town water shall be made to the Clerk of the Town of Redwood City by the owner or by the agent of the owner of lands and lots upon which the water is to be used. The application shall be in writing and signed by the applicant, stating as near as practicable the number of lot and street upon which the property is situated. The applicant shall, at the time of making his application, pay ten ($10) to the Clerk to defray the expense of connecting with or tapping the main pipe, and bringing a service pipe to the nearest point on the property line, where a meter shall be placed.

Section III. Any persons whose premises have been supplied with water from the Town water system shall be deemed to be in constant use of the same for the purposes for which it was supplied, and liable therefor, until payment is made and written notice served upon the Clerk of the Town of Redwood City to have said water shut off. Upon such notice being given and payment of all amounts due for water to the date thereof, it shall be shut off by the Superintendent of Streets of the Town of Redwood City.

Section IV. It is hereby made the duty of the City Mechanic to read all water meeters in the Town of Redwood City on or about the 25th day of each month and report said readings to the Clerk of said Town. Said readings shall be completed and the report delivered to said Clerk on or before the 28th day of each month.

Section V. It shall be the duty of the Town Clerk to keep the accounts of all water consumers in the water rate register provided for that purpose, and on the first day of each month, he shall deliver to the water collector a true and correct account of water rates and dues against each consumer for the previous month.

Section VI. All water rates and amounts due for water are payable on the first day of the month for the water used the previous month. Said payments must be made to the water collector who will call at the premises on or before the 10th day of each month. If the consumer is not at home when the water collector calls, he shall leave a notice at the house directing the consumer to pay the water bill at the Town Hall on or before the 14th day of said month, except when the 14th day of said month falls on a Sunday or a legal holiday, then and in that case, on the first legal day thereafter. All water bills not paid within the time herein specified shall be deemed to have become delinquent, and the water collector shall make a delinquent list of all consumers who have not paid their water rates for the previous month, and shall add to the amount due from each consumer 10 per cent for delinquency.

Section VII. Immediately after making such a delinquent list, the water collector shall serve upon each of such delinquent consumers or their agents or the person in actual occupation of the premises where the water rates have become delinquent, a statement of the total amount due and a notice that unless the whole thereof is paid at the Town Hall within 3 days after the service of said notice, the water will be cut off, and if the whole amount due including the charge for delinquency is not paid within 3 days after the service of said notice, said water collector shall immediately notify the Superintendent of Streets of the Town of Redwood City, who shall immediately cut off the water. The notice hereinabove referred to may be served by depositing same in the U. S. Post Office with the postage prepaid, addressed to the delinquent consumer or his agent or the person in actual occupation of the premises where the water bill has become delinquent.

Section VIII. Any person whose water has been cut off for nonpayment of water dues shall be entitled to have the water turned on be paying the water collector the amount due at the time it was cut off, the charges for delinquency, and one ($1) dollar additional for cutting off and turning it on.

Section IX. Any person liable for water supplied for any purpose who shall neglect or refuse to pay the demands against him for 3 days after being served with a notice provided for in Section VII. of this ordinance, shall be liable in a civil action for the amount due with the costs and a reasonable counsel fee in the Recorder's Court of the Town of Redwood City.

Section X. The rates to be paid for water shall be as follows:

Any amount used up to 25,000 gallons per month shall be charged for at the rate of thirty cents per thousand gallons. Any amount used more than 25,000 gallons per month and less then 50,000 gallons per month shall be charged for at the rate of 27½ cents per thousand gallons. Any amount used in excess of 50,000 gallons per month shall be charged for at a rate of 25 cents per thousand gallons. Provided, however, that the minimum amount to be charged and collected from any water consumer in the Town of Redwood City shall be the sum of one ($1) dollar per month, and provided further that there shall be a minimum charge of one ($1) dollar for each inhabited dewelling. The amount of water consumed on any premises shall be measured and determined by a water meater of a pattern and design to be designated by the Board of Trustees of the Town of Redwood City. Said meter shall be placed at the property line of the consumer in a accessible position where it can be readily reached for the purposes of reading and repairing. Said meter shall be furnished in the first instance by the consumer, but it shall be kept in repair and when worn out shall be replaced by the Town of Redwood City. When a consumer complains that the amount of water consumed in any month was less than the amount charged for, then the bill shall be paid under protest. Upon filing of a written complaint by a consumer that the meter on his premises is out of order, accompanied by a deposit of fifty cents, the City Mechanic shall within twenty four (24) hours thereafter, proceed to test said meter, and shall report to the Clerk of said Town the amount of error found if any. If said meter shows no excess of reading over and above the amount of watter actually passing through it, then said deposit of fifty cents shall be forfeited to the Town of Redwood City, but if the meter is found to be in error, the Clerk shall refund to the consumer the deposit of fifty cents together with the amount overcharged on the protested bill.

Section XI. It shall be the duty of the water collector to make a monthly report to the Board of Trustees of the Town of Redwood City on the third monday of each month of the amount collected for water used the previous month together with the delinquencies.

Section XII. Any person or persons who shall make any connections with any main or any pipe of the water system of the Town of Redwood City, and any person who shall aid or abet in the making of any such connections for the purpose of drawing water from any main or pipe without first having obtained a regular written permit from the Superintendent of Streets of the Town of Redwood City to do so, or any person who shall turn on any water or pipe or faucet or abet in doing so after the same has been cut off by order of the Board of Trustees or water collector without first obtaining a regular written permit from the Superintendent of Streets to do so, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine not exceeding one hundred ($100) dollars or by inprisonment not exceeding ninety days, or both such fine and inprisonment.

Section XIII. All ordinances or parts of ordinances in conflict with this Ordinance are hereby repealed.

Section XIV. This Ordinance shall be published once in the "Times Gazette", a weekly newspaper published, printed and circulated in the Town of Redwood City, and shall be in force and effect from and after its passage.

Introduced this first day of July, 1912.

Passed and adopted as an Ordinance of the Town of Redwood City by the Board of Trustees of said Town, at a regular meeting of said Board held on the 15th of July, 1912 by the following vote:

SACRAMENTO MEN GET STREET WORK

Outside Contractors "But In" on Local Men and Secure Big Improvement Jobs.

Mayor Merrill, w ho is enjoynig his annual vacation rest, was the only absentee at the meeting of the city council last Monday evening. In the absence of the presiding officer, the meeting was called to order by clerk Plump and Trustee Sampson was chosen as president p ro tempore.

The usual monthly reports of the city clerk, marshal and treasurer were read by the clerk and approved. According to the report of the Marshal the collections for the month totaled $3715.55, divided among the various sources as follows:

Water rates	$934.85
Water connections	70.0
Liquor licenses	2400.00
Special permits	10.00
Beer licenses	20.00
Miscellaneous licenses	202.00
Sewer connections	30.00
Taxes	48.70

City T reasurer F. K. Towne reported that the general fund was still overdrawn to the tune of $1863.88. The waterfund, however, was shown to be in a more flourishing condition, having a balance to its credit of $1572.61.

Considerable competition developed among the contractors for street work, a Sacramento firm "butting in" and giving the local men a lively hustle. Three bids were presented, each offering a figure on both the streets for which the owners of property are liable and the intersections which will be paid for out of the recent bond issue. The figures as presented by the contractors were as follows:

McGarvey & Kreiss, for street work—Cutting and filling, per cubic yard, 50 cents; macadam, per square foot, 6c; oiling, square foot, 1-1-4c. For intersections—Grading and macadam, per square foot, 8½ cents; oil, 1½ cents square foot.

A. Hess & Son, for street work—Grading and filling per cubic yard, 32 cents; macadamizing, per square foot, 6 3-5 cents; oiling, per foot, 1 cent. For intersections—Per square foot 8 2-5 cents.

A. Teichert & Son, Sacramento, for street work—Cutting and filling, 15 cents cubic yard; macadam, 6 3-5 cents square foot; oil, 1 cent square foot. For intersections—Grading and macadam, 8 cents square foot; oiling, 1 cent square foot.

As it was found necessary, in ord er to determine the lowest bid to make separate computations of the engineer's estimates no attempt was made to decide upon the award, the decision being reserved until Wednesday evening.

A resolution declaring it to be the intention to vacate that portion of Lowell and Iris streets lying between Jefferson and Vera avenues was adopted.

In order to clear up any possible legal tangles, a new bid for the recent issue of bonds, agreeing to the reduction of the amount of bonds to $25,000 was submitted by Blymire & Co., to whom the original award wasmade. This was accepted and a resolution confirming the sale was adopted.

Ordinance No. 118, which provides a new set of regulations for the conduct and operation of the municipal water system and provides a more modern regulation for the collection of water rates, was gvien its final reading and was adopted. (This ordinance is published in full in the advertising columns of the Times-Gazette this week.)

In accordance with the plan of allowing employees of the city a summer vacation, Superintendent of Streets Dickey was granted a leave of absence for two weeks.

Chief Winter of the fire department informed the council that, acting upon the understanding that it was the intention of the trustees that provision should be made for turning the old council rooms in the firehouse on Main street into a recreation hall for the use of the members of the department he had secured a billiard table for the small cost of $125, which amount could be paid at any time that fundsmight be avaiable. The action of Chief Winter met the approval of the trustees and he was informed that the matter of payment would be taken up at an adjourned meeting Wednesday evening.

Trustee Deleau urgedr that some steps be taken to protect the public from danger at the crossings of the railroad tracks on Spruce street, stating that his attention had been called to a narrow escape from a serious accident at that point within the past few days. He suggested that the railway company be requested to place gates at that point, but the general opinion of the trustees was that for the present the placing of a street light at that point would be sufficient protection. After some discussion it was decided to try the effect of the additoinal light before urging additional expense upon the railway management and Trustee Hynding was requested to see that the light was i nstalled.

An adjournmnet was then taken until Wednesday evening to allow of an investigation of the bids for street work.

Wednesday Evening Meeting.

At the adjourned meeting Wednesday evening, Mayor Merrill being still absent from the city, Trustee Sampson was again called to the chair.

Clerk Plump presented a communica ion from Bonita Parlor, Native Daughters of the Golden West, requesting that some steps be taken to secure the raising of the flag in California square on all national holidays. Trustee Deleau explained that a committee of Bonita Parlor had called upon him during the week andcomplained that notwithstanding the Parlor had provided the city with a large flag for the park it had failed to greet the breezes on several holidays in which the flag should play an important part. The trustees were surprised at the neglect, which appeared to be due to the fact "that what is everybody's business is nobody's business,' and that the neglect should not be repeated, it was made the duty of the superintendent of streets to attend to the raising of the flag.

A petition was presented from a large number of owners of property on Mound street asking that the name of that street be changed to Main street. The reason set forth for the desired change is that constant confusinon, especially in the minds of strangers, now results from the use of different names for what is in realty a continuous street. The petition was laid over for final action until the next meeting.

By an agreement between the bidders, the council was saved from the dilema of an award of the contract for street improvement to two firms. A computation of the bids indicated that the bid of A. Hess for the street intersections was the lowest, while that of A. Teichert & Son was the best for the streets. However, these contractors had "got together" during the interum and a communication was presented from Teichert & Son making the agreement known and offering to accept the street intersections at the figures presented by Mr. Hess. Following the reading of this communication Hess was allowed to withdraw his bid and the entire contract was awarded to A. Teichert & Son.

A revisedmap and survey of the Central Park subdivision was presented from the Moxey Realty Co. and C. A. Hooper & Co. and was approved. The new map shows a more satisfactory arrangement of streets.

It was decided that the billiard table recently secured for the firemen by Chief Winter be purchased by the council, the cost being $125 which was conceeded to be but a small return for the gratutitous services received by the city.

Trustee Deleau was authorized to secure a number of signs to be used in the direction of the public to the various office rooms 'n the city hall.

Weds on Her Deathbed.

Miss Anita Aragon, aged sixteen years, died in this city Thursday, as a result of an attack of pneumonia. A few hours before she passed away she was united in marriage to Joseph M. Ruiz by Father J. B. Hannigan of Menlo Park. It was her dying request that she might marry Ruiz, and her parents granted her wish. The young couple had been keeping company for several months.

NEWS GATHERED FROM THE COUNTY

Interesting Notes Picked Up By Hustling Reporters in the Country Districts.

Mr. and Mrs. Frank S. Drady entertained a number o f friends at their pretty bungalow in Lomita Park Sunday last. The party included Professor J. J. O'Heagarty of the State University, Berkeley, Miss Louise Glynn, niece of the late Robert Tobin of the Hibernia Bank, Brother Luke, F. S. C., of Sacred Heart College and Mrs. M. K. Kyne, aunt of the popular writer, Peter B. Kyne. Mr. Drady is editor of the San Francisco Leader.

SOUTH SAN FRANCISCO.

The South San Francisco Land and Improvement Company, which is in reality the original promoting concern of that city, is planning a number of further improvements looknig to the advancement of local codnition. At the request of the South San Francisco council the company has granted a strip of land leading south from Linden avenue for highway purposes. The company has also authorized W. J. Martin, its land agent, to lay outanumber of new streets in the residence section, the new streets to follow the natural contour of the land instead of the usual right angle course.

Mrs. A. Hynding a nd children are at Santa Clara, where Mrs. Hynding is visiting for some weeks with her parents, Mr. and Mrs. George Roll.

Volunteer Hose Co. No. 1 has elected the following officers: R. I. Wood, foreman; J. S. Hill, assistant foreman; W. W. McDonald, secretary; Pat Bowler, treasurer; C. L. Kauffman, P. Lind and F. A. Cunningham, trustees

The trustees of South San Francisco school district have appointed Miss R. R. Clifford of Berkeley a teacher in the department to take the place of Miss Alice O'Rourke who recently resigned her position. A school bell has been installed in the cupola o f the grammar school building, and a number of repairs are being made to the old building.

NEWS OF DALY CITY

Mrs. A. M. Christensen, a resident of Daly City, was robbed of jewelery valued at nearly $600 while a guest at the Terminal Hotel in San Francisco on Wednesday. The San Francisco police have so far failed either to discover the thief or recover the property.

At the recent meeting of the Daly City trustees a numerously signed petition asking for the submission to a vote of the people of a proposal for the repeal of the ordinance imposing an occupation tax was received and referred to the ordinance committee and will probably receive favorable action. A similar petition asking for the repeal of the ordinance which prohibiting side entrances and private boxes in saloons failed to secure any action.

Miss Josephine Armanio, recently appointed postmaster of the Colma office, took charge on the first of the month. The office has been moved from the S. P. depot to its former location opposite Stampinoni's, which has been remodeled to provide for the convenience of those who have business with the office.

E'der G. A. Hamilton and wife, of the Seventh Day Adventist church are preparing to leave for Burmah, where they will engage in missionary work.

SAN BRUNO NOTES.

Louis Lanchi of San Pedro last week entered a plea of guilty to selling liquor without a license in Justice Davis' court and was sentenced to a fine of $50 which was paid.

Judge J. F. D avis, who presides over the San Bruno division of the Justice Court of the first township, left Wednesday for a vacation of two weeks. During his absence, Judge Ellis C. Johnson of Daly City will preside over the court proceedings.

SAN MATEO AND BURLINGAME.

Seemingly the saloon business is not as profitable in San Mateo as has been popularly supposed. John McGrath, who has been conducting one of the thirst emporiums of that place, has filed a petition in bankruptcy, placing his liabilities at $6056 meet which he has available assets amounting to but $257.

Burlingame is to have a theater all its own, unless present plans go wrong. Geo. H. Shreve, owner of a lot at the corner of Burlingame avenue and Park road is considering the erection of the building, which will probably be leased to Chester Hart of San Mateo for a moving picture show.

The school trustees of Burlingame district have fixed August 16th as the date for the third election on the proposal to issue bonds of the district for the building of a school house. It is proposed to issue bonds to the amount of $50,000 for which a site will be purchased for a single building to accommodate the entire district.

Rev. G. A. Blair, pastor of the San Mateo Congregational church, who has been ill for some weeks past, has entirely recovered and will resume his pastorial duties. He will occupy the pulpit next Sunday at both morning and evening services.

The Eleventh Company of the Coast Artillery, N. G. C., will hold an election next Tuesday evening to select a second lieutenant. Chas. N. Kirkbride is mentioned as most likely to receive the position.

Thomas Wilson, one of the workmen employed in the erection of the temporary school building at Burlingame, met with a serious accident last Monday afternoon. While at work on a scaffold he accidently stepped off backwards and fell to the ground, striking upon his head and shoulders.

FROM THE COAST SIDE.

The Halfmoon Bay s ection is promised anew and modern water system for the near future. S. P. Phelps, who represents a number of San Francisco ca pitalists, has been looking over the groud with a view to the installation of the new system, in the construction of which at least $100,000 will be invested. Pipes of large size, ample for fire protection as well as domestic supply will be laid in Halfmoon Bay and the neighboring residence sections.

Mr. Harper of Halfmoon Bay lost 300 young white leghorn chickens one night last week by the burning of a brooder. The cause of the fire is not known to Mr. Harper, who states, that as is his custom, he inspected the brooder at midnight before retiring and the fire occurred two hours later.

Services at St. Peter's Church.

The "Early Service," which was inaugurated at St. Peter's church last Sunday with an attendance of a goodly number of communicants, promises to become a great spiritual help to the parish, and should be generally attended. The address of the rector, Rev. David Crabtree, at the evening service was in the nature of an intoductory to the series of Vesper talks which he will give on "Characters From the Old Testament," considering the men and women or the Bible from a human, rather than a spiritual, aspect.

The services for tomorrow morning, the sixth Sunday after Trinity, will be as follows: Holy Eucharist at 7:30, Sunday school at 10 and matins and sermon at 11 o'clock; in the evening at 8 o'clock there will be Vesper service and continuation of the series of talks by the rector, the subject being "Adam and Eve." These services are open to all.

Union Church Services.

There will be union services in the Congregational church next Sunday at 11 a. m. and at the Methodist church at 8 p. m. Rev. Alonzo Brown will preach at both services.

ALBERT MANSFIFED ANNOUNCES CANDIDACY FOR STATE SENATE

Albert Mansfield, late last evening filed his nominating petition with the county clerk for the office of State Senator from this district. He will make the run on the Democratic ticket. Thus far only Mr. Mansfield and W. R. Flint of Hollister have filed their petitions. Next Wednesday is the last day in which such petitions may be filed.

Victim of Nevada Floods.

Mrs. Reese, who will be recalled as the obliging and courteous drug clerk for P. A. Ryan last year, was among the victims of the cloud burst at Mazuma, Nevada, on Thursday. Her name was among those published in the daily papers yesterday. Mrs. Rees was conducting a drug store at Mazuma for her husband who is a practicing physican at that place. Mrs. Rees left here about a year ago after being in the employ of Mr. Ryan for a year and a half. She was a lovable woman, beloved by all who knew her. The news of her untimely end will be a source of deep regret among her many f riends in this city.

ANNUAL STATISTICS OF COUNTY SCHOOLS

County Superintendent Cloud Shows Splendid Condition of Local Department.

County superintendent of schools, Roy W. Cloud has completed the report of county school statistics which he must send each year to the state superintendent of public instruction. The report is interesting in that it shows not only allof the figures concerning attendance of children but also contains a financial statement of the cost of maincaining our educational system.

During the yea r just passed there have been 11 male and 106 female teachers in the grammar schools and 8 male and 13 female teachers in the high schools of the county, making a total of 138 teachers employed. The salaries paid to men were $15494.90, in the grammar school and $12,100 in the high which gives an average of $1408.60 and $1512.50 respectively. The women teachers in the grammar school receive $92282.50 or an average salary of $870.59 while those in the high school receive $14780, or an average of $1136.92.

The superintendent of schools made 202 visits and the trustees visited their schools 314 times. There are 33,593 books in the various school libraries made up of supplementary readers, desk b ooks and books of general reading.

School was maintained in the schools of the county on an average of 203 days per d istrict. This length of time is over twice the length that school is maintained on the average in the United States.

The average daily attendance for the year was 3489 pupils which is again of over 14 per cent above that of last year. The enrollment in the school showed 4226 which demonstrates that the percnetage of attendance was 82. This percentage is very high and shows that aside from that caused by sickness the absences were very few. Of the number enrolled, 2334 were boys and 1892 girls. The number of boys was greater in each grade of the school except in the seventh grade where there were 144 girls and 141 boys. The average number of pupils for each teacher in the county was 36.

At the beginning of the year there was a balance of $50608.20 in the different funds. The following amounts were then received: State fund $68351, county fund $71699.50; special taxes $12,957.90, sale of bonds $21376, from all other sources $2653,making a total of $227645.60 Of this amount $107914.35 was paid for teachers' salaries; $26848 for contingent expenses, $25408.04 for buildings, lots and repairs, $2,382.12 for books, making a total of $162552.91 spent in the grammar and primary schools of the county and leaving a balance on hand to the credit of the several districts of $65092.69. In the highschools the balance on hand at the beginning of the year was $59437.02, the amounts received were $48230.30 giving a total of $107667.32. Of this amount $83572.35 was expended for salaries, building and expenses.

Of the fifty schools in the county two are concrete, one brick and forty-seven wooden buildings. One hundred boys and eighty-seven girls were graduated from the schools of the county and of this number 80 per cent will attend high school. The cost of educating these boys and girls was $34.28 in the grammar school and $127.94 each in the high school.

New High School Board Organized.

The trustees of Sequoia Union High School met Saturday and organized the new board. L. P. Behrens was re-elected chairman and D. D. O'Keefe clerk for the ensuing year. The entire old corps of teachers was re-elected for the term. Manual training will be added to the course of study for next semester and as domestic science is already a part of the curriculum the school is thoroughly up to date and one of the best high schools in the state.

Aspires to Senatorship.

W. R. Flint of San Benito county has announced himself as a candidate for State Senator from this district on the Republican ticket. He is a Progressive and if elected will be identified with that element of the party. Mr. Flint has served San Benito in the Assembly for the past two terms and has a clean record. He is a farmer and a clever, energetic young man and a splendid campaigner. Mr. Flint was here Monday, meeting many people and created a good impression by his genial manner.

James Kane arrived in Redwood City on Tuesday from Salem, Mass., where he has been visiting relatives since last May. While he enjoyed the trip to his former home and was royally entertained there, yet he is glad to be back in Redwood City to enjoy the cool breezes and healthful ozone. When he left the east the heat was almost unbearable.

REDWOOD CITY LOCAL NOTES

Miss Sallie Nelson goes to La Honda Tuesday to spend the remainder of her vacation.

Harry Lyndall and his two sisters are spending two weeks at Mount Harmon, in the Santa Cruz mountains.

Big reduction in all our lawns and marquisette shirtwaists at Einstein's.

T. P. Maloney has gone to Gilroy Hot Sprnigs for a week's rest and recreation.

Mrs. J. Wesendunk and family of San Francisco are spending the week with their cousin, Mrs. W. B. Gilbert.

The registration for the state primary election closes on August 3rd. All voters who have not registered since the first of the year should attend to the matter at once.

The regular fortnightly card party of the Redwood City Womans Club will be held next Tuesday evening at the club house in Dingee Park. Prizes will be awarded and refreshments served.

Charles Sahlberg departs today for Tacoma, Washington, to spend nnual vacation. He will visit all points of interest while in the north. Mr. Sahlberg is a trusted employe of Beadle Brothers, the shippers of San Francisco.

Mr. Bontz received a telegram yesterday, stating that his son, Conrad Bontz, had successfully passed all the entrance examinations to the naval academy at Annapolis and would begin his duties at the academy on Monday. This will be pleasing news to the young man's friends in Redwood City.

On Wednesday afternoon Mrs. Crabtree very pleasantly entertained the members of St. Mary's Guild at the rectory. A large number of the church workers were present and a pleasant afternoon was spent in social intercourse and the discussion of plans for future activities. Before her guests departed Mrs. Crabtree served light refreshments.

The time for filing nominating petitions will expire on July 24th. Thus far only three candidates have filed their petitions, John MacBain, a candidate for the republican nomination for supervisor of the third township, James Casey seeks the democratic nomination for supervisor of the First township and W. R. Flint desires to become a candidate for the office of State Senator from this district.

W. E. Wood and wife were here Sunday on a visit with the latter's mother, Mrs. Betzold. Mr. Wood is superintendent of the Oakland water works and is the owner of valuable property at Palo Alto.

The celebration of the Fall of the Bastile at La Honda last Saturday evening drew a large crowd from this city. The ball at Keiffer's was well attended, the crowd being larger than at previous years. All report having a good time.

The officers of Embarkadero Camp, Woodmen of the World, will be installed next Tuesday evening. The installation will be semi-public, an invitation having been extended to Robin Hood Circle, Women of Woodcraft and friends of the members.

LOCAL NEWS OF MENLO PARK

Priest to Tour in Holy Land.

Rev. J. W. Sullivan of St. Patrick's Seminary will leave shortly for a tour of Ireland, Egypt and the Holy Land. He will also spend some time in Rome. Father Sullivan is to be gone for an indefinite period and it is doubtful if he will again be identified with the Seminary. He is one of the best orators of the coast, a master ofpureEnglish and an elocutionist of recognized ability. His departure from this community is a matter of deep regret among his many friends and admirers.

Menlo Park News Notes.

Get your vegetables, fruits and fresh berries at J. Tuttle's. He has a large s upply always on hand.

C. Peterson, the nursery man, has leased the Cora Parker cottage in front of the railroad depot for a long term.

Mr. Hogodson, one of the proprietors ofthe Buffalo Brewery of San Francisco, has beg un the erection of a commodous home in the Coleman tract. It will cost several thousand dollars.

Owing to the scarcety of water in the Bear Gulch Lake the superintendent has shut off the supply of water on certain back streets so that these thoroughfares cannot be sprinkled. If the lake continues to decrease it is possible that all sprinkling of roads in and about Menlo Park may be discontinued.

It is stated on good authority that Ravenswood will shortly have another manufactory which will come from Oakland. Mr. Parkinson, the promotor of this scene of activity, is deserving of congratulations for the good work that he is doing. He is a man of deeds and not hot air.

Mrs. C. R. Walters of Atherton, (Fair Oaks), while motoring past San Carlos Friday with her mother, escaped a serious accident. The rear axle of her electric coupe broke but Mrs. Walters stopped the machine in time to save herself and mother from being harmed. Help was summoned from Menlo Park and the disabled machine was towed to the hospital for repairs.

Clubmen of Menlo, Burlingame, San Mateo and Hillsborough will be able to enjoy a shave or shampoo and indulge in convivial highballs while making their daily trips to San Francisco, if a plan proposed by the Southern Pacific Company is carried out. Charles S. Fee, passenger traffic manager of the railroad company, is considering the plan of attaching private club cars to several of the most popular morning trains, and has broached the idea to the various clubs.

Einstein has received five cases of the celebrated Maish Comforters direct from the eastern manufacturers.

Will Build Elegant Residence.

Selah Chamberlain, who maintains a beautiful home at Atherton, this week awarded a contract to the Van Sant Houghton Company for the erection of a handsome home to be constructed near the site of the old J. J. Moore mansion that was burned some time ago on the Woodside road not far from the town of Woodside. Thecost of the building will be $32,564. The structure will be erected on the highest point on the hills in that locality so that it will have a splendid view of all Santa Clara valley.

Items of Personal Mention.

EXAMINATION TO BE HELD FOR RURAL MAIL CARRIER.

The United States civil service commission announces that a rural carrier examination will b e held at Colma, Redwood City and San Mateo August 10th, to fill a vacancy in the position of rural carrier existing at Colma. Considerable difficulty has been experienced in filling this vacancy and all qualified persons are urged to enter the examination. Only applicants who are actual residents of San Mateo county are eligible to enter. Application blanks and further information may be obtained by addressing the postmasters at any of above mentioned offices.

MURDER THREAT RESULT OF DEER HUNT, IS STORY

A dispute over the ownership of a large four pronged buck led to the arrest and arraignment Thursday of Henry Danz, proprietor of the Beresford roadhouse, on a charge of assault with intent to commit murder preferred by J. S. Miguell, a deputy sheriff of the county.

Danz and Miguell were deer hunting with different parties in the hills back of Miramar when one of nimrods bagged a big buck. Both Danz and Miguell claimed to have fired the lucky shot and when the latter attempted to carry away the carcass the roadhouse keeper is alleged to have frightened him away with a loaded rifle.

Danz was arraigned on the felony charge in Justice Lampkin's court and released on $1000 bonds.

CHARGED WITH ASSAULT WITH DEADLY WEAPON.

Mrs. Kate Ralston of this city has applied to the district attorney for a warrant for the arrest of her brother-in-law, William Ralston, the well known farmer of San Gregorio, charging him with assault with a deadly weapon. She says that Saturday she was in the act of cutting down a fence that Ralston had eretced across a road leading to her property when the latter appeared and pointed a shotgun at her, compelling her to get off his property. Floyd Smith, the assistant district attorney, happened along and witnessed a part of the alleged assault. Mr. Ralston has not yet told his side of the trouble.

REDWOOD CITY BOY HAS SUBSTITUTE FOR RUBBER

George Winn of Seattle, a son of Louis Winn of this city, has invented a compound that will take the place of the inner automoblie tube and materially lessen the expense of the maintenance of machines. Mr. Winn is a maker of printers' rollers and for some time has been experimenting with roller ingredients and other materials and has made a compound that it seems will fill the bill. It looks like rubber and has the same elasticity and cannot be effected by water, heat o r cold. A Seattle capitalist has had his machine fitted with inner tires made of the material and is giving it a trial. He believes it will be a success and promises to back Winn with sufficient capital to start its manufacture if it should so turn out.

LOCAL NEWS NOTES.

Mr. and Mrs. J. C. Dickey and daughters are camping at La Honda.

Mrs. Clarence Mayo and daughter Margurite, of Pleasanton are visiting at the home of George H. Leary.

Lorenzo Jara	$3000.00	None	In process of administration	Undetermined and unpaid	Undetermined and unpaid.	

Respectfully submitted,
H. G. PLYMIRE.
Public Administrator of the County of San Mateo, State of California.

STATE OF CALIFORNIA } ss.
County of San Mateo }

H. G. Plymire, being first duly sworn, deposes and says: I am the duly elected, qualified and acting Public Administrator of the County of San Mateo, State of California; I have read the foregoing Report, Return and Account, and know the contents thereof, and the same is true and correct, according to the best of my knowledge and belief. I am not interested in the expenditures of any kind made on account of any of the said estates, and I am not associated in business with any one who is interested in such expenditures.

H. G. PLYMIRE.

Subscribed and sworn to before me this 7th day of July, A. D. 1912.

To Please the Palate
is our aim in serving meat—to retain the fine flavor Nature bestows, not to let it go to waste, as some meatshops do. With prolonging this true tale, it may be set down for a fact that here is to be found a first-class place to purchase beef, mutton, lamb, ham, poultry and game, to give your table good credit with household and guest.
